

## *Corymbia apparrerinja* — Ghost Gum

**Scientific Name:**

*Corymbia apparrerinja*

**Common Name:**

Ghost Gum

**Register Number:**

21

**Location of Tree:**

Larapinta Drive, west of Bullen Road turn-off, Alice Springs NT

**GPS:**

-23.735293, 133.733093

**Categories of Significance:**

Historical

Cultural

**Year Listed:**

1989

The subject of one of Albert Namatjira's most famous paintings — the Twin Ghost Gums with a backdrop of the Caterpillar Range. Namatjira was a Western *Arrernte* contemporary Indigenous Australian artist born and raised at the Hermannsburg Lutheran Mission, outside Alice Springs. Unfortunately, these trees were burnt down in a suspected arson attack in Jan 2013. Today lies a monument in their place to mark the location.
