

Ficus virens — Banyan

Scientific Name:

Ficus virens

Common Name:

Banyan

Register Number:

81

Location of Tree:

Behind Poinciana Motel, Corner
of Mitchell Street & McLachlan
Street, Darwin NT

GPS:

-12.46037, 130.83722

Categories of Significance:

Unique Location

Year Listed:

1988

This tree is thought to be remnant vegetation germinated pre 1880's. Mrs. Angeles grew up in the area and used to play in this Banyan when she was a youngster. Despite the development of the area, the Banyan has managed to remain a strong and healthy feature of the block.
