

## *Alstonia actinophylla* — Milkwood

**Scientific Name:**

*Alstonia actinophylla*

**Common Name:**

Milkwood

**Register Number:**

97

**Location of Tree:**

31 Parap Road, Darwin NT

**GPS:**

-12.4314, 130.84298

**Categories of Significance:**

Aesthetic

Unique Location

**Year Listed:**

1988

The owners of this land obviously appreciated the value of the Milkwood as the residential design had not infringed on the tree's growth. The tree was unfortunately removed in the early 2000's.
