

Malak Park

Scientific Name:

Calytrix exstipulata & others

Common Name:

Turkey Bush & others

Area Number:

20

Location of Area:

Malak Park, Malak Primary School, Sanderson, Darwin NT

GPS:

-12.3918, 130.90241

Categories of Significance:

Aesthetic

Size

Unique Location

Group

Number of Trees:

Multiple

Date Planted:

1970's

Year Listed:

1992

This stand of Turkey Bush and other native species has avoided urban and parkland development in Darwin's northern suburbs. The specimens are unusually large and have grown for many years without burning. They are remnants of a type of vegetation adapted to growing in the harshest of conditions.
