Habitat

Number of Trees:

12

Date Planted:

c. 1947

Planted By:

Bernie Havlik

Year Listed:

1987

These South American giants were planted by Bernie Havlik, in roughly 1947, when the town was established. The trees appear fully grown and are in good health. They are much appreciated by the local community and utilised constantly at sporting events or for picnic and enjoying their dense shade.
