

Greek Hall

Scientific Name:

Khaya senegalensis

Common Name:

African Mahogany

Area Number:

5

Location of Area:

Greek Hall, 92 Cavenagh Street, Darwin NT

GPS:

-12.45677, 130.83777

Categories of Significance:

Unique Location
Group

Number of Trees:

10

Date Planted:

1970's

Planted By:

Committee for the Greek community

Year Listed:

1988

A fine example of landscaping with shade trees. The committee for the Greek community planted these African Mahoganies in the 1970's. They numbered 10 up until further extensions to the church proceeded and 3 were removed. The further 7 trees have since been removed (in 2000) to make space for a garden.
