

Clyde Fenton Pre-School

Scientific Name:

Samanea saman and
Hibiscus tiliaceus

Common Name:

Raintree and Hibiscus

Register Number:

15

Location of Tree:

Clyde Fenton Pre-School,
Rapide Street, Katherine NT

GPS:

-14.45107, 132.26986

Categories of Significance:

Unique Location

Group

Habitat

Year Listed:

1989

These trees provided school students with ample shade, a wise choice in landscaping. It was also interesting to see this Hibiscus growing so successfully when it is commonly associated with coastal vegetation. Unfortunately these trees no longer exist.
